

Q: How much is the fee for not having health insurance going to cost?

A: The fee will be whichever amount is **higher** for each year.

If you have no health insurance for just part of the year, then the fee will depend on how many months you did not have health insurance. If it is **less than 3 months**, you will not have to pay the fee.

2014

- ❖ 1% of yearly household income or
- ❖ \$95 per person in the household

2015

- ❖ 2% of the yearly household income or
- ❖ \$325 per person in the household

2016/2017

- ❖ 2.5% of the yearly household income or
- ❖ \$695 per person in the household.
