WORLD REFUGEE DAY

A COMMUNITY EVENT FOR CELEBRATION AND AWARENESS

In partnership with the Refugee Health Task Force of Summit County, Asian Services in Action, and North Hill Community Development Corporation, Immigration Network-Akron (IN-Akron) is proud to continue celebrating and honoring our vibrant refugee and immigrant community in Akron. Join us for our third annual World Refugee Day celebration on **JUNE 22 from 11:00AM TO 3:00PM** at historic Waters Park. This event is a key opportunity to experience the potential of Waters Park as a premier destination for leisure and recreation that reflects and serves the diversity of North Hill.

We are actively seeking generous sponsors and supporters to help cover the costs of the event, which include performer's compensation, generator rental, recreation set-up, refreshments, and other supplies. There are two levels of contribution available for those who wish to support this cause. Your support not only helps facilitate this significant event but also strengthens our community-wide connection of program and service providers focused on helping every immigrant and refugee thrive in Akron.

IN-Akron is a community-wide connection of program and service providers in the Akron-area focused on the shared goal of seeing every immigrant and refugee thrive in life, and helping out communities thrive from the contributions of immigrants. The Refugee Health Task Force seeks to empower refugee and immigrant communities of Summit County to build on their strengths and resiliencies through culturally and linguistically appropriate services and cross-sector collaboration in pursuit of health equity. By partnering with us, you contribute to creating a community space that is inclusive and active, ensuring that Waters Park truly becomes a place where all community members can gather and celebrate the rich cultural diversity of our community.
