

Use your fluency in another language to start a new career as a professional medical interpreter.
Register for:

Breaking Boundaries in Healthcare®: A Medical Interpreter Training Course/ALTA (Northeast Ohio)

What are the unique features of Breaking Boundaries in Healthcare®?

REALISTIC TRAINING SETTING AND INTERPRETATION COACHING

Participants can practice medical terminology in their native languages with skilled interpretation coaches. Language-specific coaches will be provided in languages that have three participants or more enrolled in the course.

PRACTICAL, IN-DEPTH ASSESSMENTS OF PROFESSIONAL SKILLS

Interpreting effectively does not begin and end with just knowing the language. This course offers the opportunity to develop and implement effective strategies and techniques to serve as an ethical interpreter. A Certificate of Qualification is awarded to those who complete all of the course assessments successfully. This certificate allows participants to apply for interpreting jobs with hospitals and agencies nationwide.

EXCELLENT PROGRAM FOR ALL MEDICAL STAFF AND PROVIDERS

This training is not only important for interpreters but is also beneficial for health care providers and administrative staff who work with LEP (Limited English Proficiency) patients.

For additional information please email Ching Lo, Assistant Manager of Interpreting & Translation Services Department at clo@asiaohio.org or call 330-535-3263 Ext. 5323

PROGRAM RECOGNITION

This medical interpreter training course is nationally recognized and created by ALTA Language Services, an IMIA and NCIHC member.

This course provides bilingual individuals with the skills required to deliver accurate and complete medical interpreting in healthcare settings.

The course is open to speakers of 42 languages and follows a curriculum that is the first required step toward national certification for medical interpreters.

Cost: \$650
Payment schedule available.

Class Schedule: The 2020 Fall Session will begin on October 10 and end on November 14 (test day).
Saturdays from 9:00 am - 5:30 pm.

Location: Akron, Ohio
